

Friends!
by Khue T.

I slammed the door and headed to my bus stop. My best friend Olivia came running with a poster, "Lisa, look at my poster do you like it? Olivia asked while showing me her poster, "yeah, I like it" I said. When we were on the bus Olivia kept on talking about what she would do if she got to be a student council. When we got to school Laura was standing on a table and she yelled "Vote for Laura for student council", Laura is a mean girl, She bullies everyone even me she had a best friend name Tessa, and everybody feared them but not me and Olivia, "who would vote for Laura, she is a big bully, Olivia said, after Olivia finish her sentence, Tessa look at us and smirk. She came running like a raging bull," fun fact, Laura will not be student council and you will never stand a chance" Tessa said with a grin. Olivia is very mad at what Tessa says so she went to class early. When I got to the classroom, I saw a girl sitting next to my seat, "Hi, are you new?" I ask, "oh yes my name is Amelia, do you want to be friends?"

The girl said, "Sure, I'm Lisa and that is my best friend. Olivia "I said as I pointed at Olivia, I'll see you at recess" I Said with a big smile on my face, "Ok, See ya" Amelia said. "Get out your writing notebook" "Said the teacher, I quickly got out my writing notebook and I started writing about my day. I always had a boring topic but this time I got a great topic. It is about Amelia, the new kid.

It was a great topic, I don't know how but I wrote two pages and it was the same topic. When it was recess Olivia and I decided to play with Amelia since she hasn't made any friends yet. Olivia and I searched everywhere but we couldn't find Amelia.

Chapter Two: Caught Bullying

Then, we saw Laura and Tessa bullying a girl that looked exactly like Amelia. Me and Olivia ran quickly to them, and as soon as they saw us, they ran as fast as they could. "Are you ok?" Olivia asks as she turns to Amelia, "I'm fine", Amelia said with a smile on her face, "we will never let them bully you anymore, and so do you want to play?" I ask "Sure, let's play tag", Amelia said while running away "I'm it" "Olivia yelled as she chased after Amelia "When I was getting on the bus to go home with Olivia, Amelia came running and Said "can I sit with you guys on the bus? "Sure", I said. When we were on the bus, I couldn't help but notice Amelia's pretty long hair and how beautiful she is, and that is when I came up with a plan to stop Laura and Tessa from bullying so I told Olivia and Amelia my plan and I hope it will work. The next day Amelia came walking into the classroom with a very beautiful dress, Amelia look like a supermodel walking on a catwalk, and suddenly everybody started to surrounded Amelia and ask to be their friend, things were going just as plan and now that Amelia is popular, the plan will work, just then Laura and Tessa came into the classroom.

Chapter Three: Friends?

As soon as Tessa saw everyone crowded around Amelia, Tessa knew that if she became friends with Amelia then she will be popular so she turned to Laura and said, "I don't want to be your friends anymore, so bye." Tessa quickly walks to Amelia leaving Laura behind Laura quickly walks to her desk with a sad face and her eyes are filled with tears. Very smooth, I thought as me and Olivia walked toward Laura, are you ok? I ask, "No, I'm lonely and no one wants to be my friend, not even Tessa " Laura Said in a Sad Voice. I never see Laura being so sad before so it was a surprise for me, "you know, you should never bully people in the first place, because it will hurt people feeling so before you do something, remember what it feel like when people do that to you", I said, and then Laura cry, "sorry, I didn't know it will hurt that much, I'm Just a dumb girl," Laura said while crying. Amelia walks up to Laura and hugs her, " I'm glad you learned your lesson" Amelia said while shaking her hand with Laura. That is how Laura became our friend and stopped being a bully. Tessa is our friend too, she says sorry and that is how the story ended!
