

# Noah's In The Bermuda Triangle!!!

## Table of Contents:

- 1) The Star and Noah.
- 2) Where am I? (2 ½ Who is Zak Storm?)
- 3) Powers and Noah's Hero.
- 4) ARRTACK!
- 5) The Ultimate Power.
- 6) It's NOT Over!

# THE STAR AND NOAH.

- Once there was a kid named Noah. He was mostly a normal kid. One day, he got lost in the woods, looking for firewood. His family was on a camping trip, by the way. As he was looking, a STAR was actually falling from the SKY! This was no ordinary star though. It was a radioactive star. Whoever it crashed on to, had NO CHANCE of surviving!! It was going to crash on to NOAH!!
- Noah heard a '*FWOOSH*' noise, looked behind him, and saw the star! "WHAT THE HECK?!?!" he yelled and started running. Then the star crashed down, (through a tree) and thankfully MISSED Noah. As Noah went to examine it, a weird glow was shining out it. Then he heard someone yell "NOAH!!" That was Adu's voice. He ran toward the voice.

# THE STAR AND NOAH (CONTINUED)

- When he was back at his campsite, his dad asked “Where WERE you, Noah?” “I was looking at this-”, THUNCK!! “**YAAAAAAAAAAHHH!!!!!!!!!!**”, Noah yelled. The star had injected into his BACK! Shortly after, he fainted. Noah was asleep for several hours. Finally, he woke up, only to find himself in the middle of the OCEAN. He expected to find himself in the hospital, but the ocean? This didn’t make any sense. When looked behind him, he couldn’t feel or find the star. “Maybe my dream was real!!” he said.
- Noah had dreamt of first falling into this really weird portal with 5 signs around it. What they were, he had no idea. Next, the star in his back had ripped off and fell into a different portal. Finally, he reached the end of the portal and fell into the ocean. “Now if I can figure out where in the world I am.” he mumbled to himself.

# WHERE AM I?

- It turns out Noah somehow ended up in the BERMUDA TRIANGLE!!! He just didn't know it yet. As Noah swam for miles and miles, he started to worry he would never get home. All he saw was water, and more water, and even MORE WATER. Then a gigantic monster appeared. He had recognized it. It was from...! "No. IS THAT THE CYCLOPS?!?!" How did he know? Noah liked to watch 'Zak Storm' back home and a monster in was the dreaded cyclops. "Wait a minute... cyclops can only be in-!" He had finally known where he was... "AM I IN THE BERMUNDA TRIANGLE?!?! HOW?!?! **HOW?!?!**" Noah started yelling 'HOW?!?!' over and over.
- Finally, he stopped and calmed down. "Alright. If I'm in the B.T., Zak and his friends should be here somewhere in here as well. Time to find them! I can't believe I'm saying this, but maybe that star as well." Then Noah went to find Zak Storm and the Intergalactic Star.

# WHO IS ZAK STORM?

- Zak Storm used to be a ordinary kid (Just like Noah!), but one day Zak rode these INSANE storms while wearing the Water Charm. That charm was the thing that brought him to the B.T. in the first place. The two people he first met was Clovis (the ghost boy) and Calab Brass (the talking sword). As he used the ship, the Chaos (yes, it has a name), he makes a team called the '7C's'. The teammates are Zak, Clovis, the Chaos, Cece (she's an Atlantic Princess), Crogar (he's a viking), Caramba (he's an alien super wiz), and the mighty (talking) sword: Calab Brass!
- Calab Brass has 7 elemental powers: Dezer: sand, Aeria: wind, Vampir: shadows (Wha?), Blazz: fire, Sino: ice, Zite: spirit (WHAT!?), and the one that brought him to the B.T.: Beru: water!

# POWER'S AND NOAH'S HERO.

- As Noah was swimming, he FINALLY made it to where Zak first met Cece, Crogar, and Caramba. He decided to rest for a bit on the stairs and soon fell asleep. He woke up to the sounds of booms and screams. *BOOM! BOOM! BOOM! AIEEEE! HELP! YAAAAH!* “What’s going on?!?!” Noah yelled. Then he saw Golden Bones. Next, a blast of fire, and finally: Calabross and Zak Storm! “I’m in the middle of a giant battle!”
- After looking around for a bit, he saw a huge glow on Zak’s ship. “*THE STAR!!*” he thought. He ran toward it, and found the rest of the team, just looking at the star. “Where did it come from?” asked Cece. “Crogar think this star is glowing.” said Crogar. “I have never seen anything like it!” said Caramba. Then Noah grabbed it and INJECTED IT INTO HIS HEAD!! “GAHH!!” yelled everyone (but Noah). “**YYAAAAA**AAAAhhhh...” *PLOOF!* Then Noah just fainted... AGAIN.

# POWER'S AND NOAH'S HERO. (CONTINUED)

- He soon woke up, only to find everyone in the 7C's staring at HIM this time. "You OK kid?" asked Clovis. "Yeah. I guess." "Have you gone INSANE little dude? You gave the rest of us a huge fright!" said the one and only ZAK STORM! "ZAK STORM!! Um, I like you and your crew's adventures SO MUCH!!! My name is Noah, sir." he says. "Um... well hello there... Noah. We just have a question: WHY DID YOU STICK THAT RADIOACTIVE STAR IN YOUR HEAD?!?!" Zak and his crew yell at Noah's face. "OH. Well it's sort of a long story..." after a lot of explaining... "Unbelievable!! This same star in this case brought you to the BERMUDA TRIANGLE?!?! No way!" said Caramba. "Just like how the Beru pearl brought me here as well." said Zak. The star had also gave Noah powers, but no body knew yet. After lunch, the 7C's and Noah did some target practice, Noah hit all the targets (DIRECTLY) with a spear, a blast, and ninja stars, all made from his HAND. "Wow!" he said. Then he used a G-Sword (also made from his hands) to make sushi for the crew (which was good). Suddenly the team heard a *BOOM!!* "ATTACK!!!!" yelled Golden Bones. Uh-oh.

# ARRTACK!!!

- Golden Bones is Zak's sworn enemy! Ever since Zak fell into the B.T., they have been fighting for Calabgrass. Bones doesn't fight for himself though, he fights for SKULLIVAR. THIS time, they want NOAH! "Bones is back!" Clovis yelled. "Two times in one DAY? Something's up..." said Noah. "LET'S GIT 'EM!" yelled Calabgrass. "Yeah!" yelled everyone else. A crazy battle started up. Eventually: "Ugh. Why is Bones so powerful?" said Cece. "I don't 'oof' know." said Caramaba. "ARRGH!" yelled Zak, "We won't let you take Noah!" Zak was defending Noah with Calabgrass at full power with all of his OWN might, but it wasn't enough.
- "Get out of my way BOY!" yelled Bones, knocking Zak away. "YAAAH!" he yelled as Calabgrass said "YARGH!" and hit the ground with a thunk. "You're mine NOW kid. MUWAHAHAHAAA!" "NOAH!!" yelled the crew.

# ★ THE ULTIMATE POWER. ★

- “N-nn-nn-n-no! NO! GET AWAY FROM ME!!” yelled Noah, nervously backing up. “Heh heh heh. You’ve got nowhere to run kid. Skullivar will be VERY pleased.” said Golden Bones. “Noah...” said Zak, “You can... do this... remember ‘grunt’.” Then everyone said: “A

TRUE pirate NEVER BACKS AWAY.” **NEVER**

**BACKS AWAY.** Those words rattled

around in Noah’s brain, over and over. NEVER BACKS AWAY. NEVER BACKS AWAY. “One thing I must remember is-” *SHING* (Noah’s G-Sword) “- to **NEVER BACK AWAY!!!** Pirate or *NOT!!* **AHHHHH!!!**” and an INSANE fight begun.
